Department: Physical Education **Course Name:** Kindergarten Physical Education

Course Description:

Our students will demonstrate an understanding of the significant role of physical education, fitness, and health play in our personal lives and in society. They will possess the skills necessary to maintain fitness and body control though various physical activities. A major emphasis will be placed on improving locomotor skills (running, skipping, galloping, sliding, jumping, hoping, walking) and the non-locomotor skills (twisting, turning, pushing, pulling, swinging, dodging, bending, stretching). Our program is to improve skill acquisition and physical fitness to develop healthy behaviors to promote lifelong wellness.

Content:

Locomotor Skills Toss and Catch **Spatial Awareness** Dribbling Non-Locomotor Skills Striking With and Without Equipment Soccer Basketball Bowling Tennis Throwing Rhythm Volleying Chasing Fleeing Dodging Tagging
